The DVD yearbook is produced so that it plays on most DVD players.

The best deal for seniors is the senior package.

The senior package includes a print yearbook, a DVD yearbook, and admission to the senior yearbook signing dinner. If a refund is requested for any part of the package, the other items will be billed at their individual prices. Senior packages will only be sold until September 2, 2011.

The best deal for underclassmen is the Yearbook/DVD combination.

NOTE: Keep the receipt from your purchase of the yearbook and have it with you when you pick up your book in June. If you have your receipt with you, it will make it easier to pick up your book if proof is necessary.

NOTE: If you have not picked up your yearbook by June 15, 2012, it may be resold to another person. In this case, you must request a refund by September 28, 2012. No refunds will be given after September 24, 2012.
